Roosevelt City Fire Chief Restricts Fireworks

(Roosevelt City, UT) – The Roosevelt City Fire Chief has prohibited the use of fireworks in all incorporated areas of Roosevelt City and Ballard City.

Chief Lee Rockwood has cited low humidity, high temperatures, and wind which has created extremely dry conditions as a main concern as well as the order from the State Fire Marshall restricting the use of fireworks, campfires, and smoking outside of vehicles in unincorporated areas of the state.

The restriction will be in place for the duration of the 2012 fireworks season. Failure to comply will result in a class B misdemeanor.

As a reminder:

To report non-emergency situations call 722-4558.

To report a fire, stop a crime or save a life call 911.

For more information, please contact City Manager Justin Johnson at 722-5001 or email jjohnson@rooseveltcity.com.
